THE ADVENTURE CATEGORY

We are going to help all the off road fan to live the unique experience of get to the legendary pink lake by motorcycle a unique experience that must be done once in your life regardless of your level of piloting.

It is an offer of support from our competition team in order to take advantage of the logistics of a serious organization.

How is the organization of this rally and our structure with a broad history in Africa

The crossing of borders, visas, passes, hotels where to sleep and eat, Quality gasoline and above all safety is guaranteed with us and the organization of the rally.

Thanks to this you will be able to know places where it is otherwise impossible to go visit the old Spanish Sahara Smara, Villacisneros, Noadibou, Atar, Chinguetti, St Louis and Pink Lake will witness the passing of your wheel.

Oh and above all ...

Guarantee the transport of your motorcycle and return material so that you return to your normal life without losing more of the necessary time.

MOTORCYCLE ASSISTANCE 8TH ANNIVERSARY PARTICIPATION

After 8 consecutive editions participating in the intercontinental rally and being the best we will celebrate with a great offer of assistance for motorcycles. (quads-buggies-cars and companions can also accompany us request information).

In this great rally you can participate in two different ways Race category or Adventure category (more relaxed and designed for those who wish to reach Dakar on their motorcycle without the pressure of a competition).

With two routes one to Dakhla (Morocco) and another to Dakar (Senegal).
